

**Shankar Iyer**  
Head, Learning Services - Red Hat India

“We, at Red Hat feel great to be associated with IPSR. IPSR's business culture is highly appreciated and the time spend on maintaining standards is required to be emulated by all. We look forward for a lifetime association with IPSR”

**Cinu Varghese**  
G M Operations, Armia Systems

“Its just 'professionalism at its best' at IPSR. Even though I was a beginner in Linux, I turned into an expert in Red Hat Linux after the course at IPSR. I will surely recommend IPSR's services to anyone.”

**Antony Joseph**  
IT Manager AL - gosibe group of compinies, K S A

“I have found IPSR the best in offering IT training as I have done certifications from other institutions. The management and faculty are very friendly and knowledgeable I extend my thanks to the team and wish more success in the future.”

**Prof. Arshad V.**  
H.O.D-CS & Engg, AWH Engineering College

“I recommend IPSR for anyone who wish to be RHCE. With petite Linux idea I walked into IPSR. I liked the way they train the technical details. 100% credit of my score of 100% is attributed to IPSR.”

**D. Sunder.**  
Principal Research Officer (Scientist S) National Transport & Research Centre

“when I wanted to earn an International IT certification, many recommended IPSR. True to the recommendations, I found, IPSR is the best. It has highly qualified and dedicated faculty with an academic atmosphere.”

**Sasi Sabri**  
Kirchstr -11 79539 - L8RRACH, Germany

“I came to know about IPSR from internet. I have decided to join CCNA & RHCE. The institute is very good. Instructors are very knowledgeable and everything was very well organised. The methodology of teaching @IPSR is excellent”

**Kaushal V. Patel**  
Ahmedabad

“I came to know about IPSR through internet. When I stepped into IPSR I was really impressed. I came all the way from Ahmedabad to do my RHCE at IPSR. Now I really feel that my choice was absolutely right.”

*Perfection is a myth...*

*But we are very particular about it...*

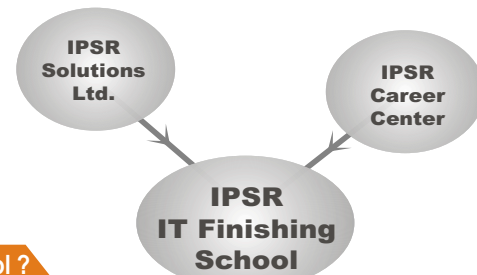

IPSR is now one among the best IT training institutions in Asia offering quality IT education, especially in Linux. The training programmes at IPSR is structurally and functionally a multi-tier programme giving ample emphasis to creative learning thus brewing a student as a true professional. We have a total IT solutions company, ipsr solutions ltd., and a career center engaged in placement activities to supplement the training division. This enables us to provide a real time environment to our students on various aspects of a project life cycle. The company presently undertakes high-end over seas projects and has launched a host of software products.

#### ipsr solutions ltd.

Our core competencies lie in customized software solutions, internet based applications and technical consultancy. In addition, we also offer a range of hardware and networking solutions. Manned by a team of dynamic professionals, ipsr solutions ltd. is committed to understanding client needs and providing comprehensive solutions that are in sync with latest technologies.

#### ipsr career center

Our association with a heard of top notch IT companies including MNCs for providing technical as well as placement related services has resulted in the emergence of ipsr career center. Being a division offering complete placement services, we have association with top IT companies including Wipro for placement related activities. The key objective of career center is to help IT students in their job hunt and to inform them on prospective job openings.

#### What is IT finishing school ?

IPSR IT finishing school is a concept aimed at moulding out industry-ready candidates out of students. As per statistics, only 1 out of 4 engineers passing out from Indian Universities are employable. This is definitely a matter of concern and is a prominent factor that leads to unemployment among IT graduates. It may sound as a paradox that there are large volumes of unfilled vacancies in all leading MNCs. IPSR IT finishing school is thus a creative solution for such bewildering factors. The new venture of IPSR is an academic-industry association, where a student is provided training in all the needed hot skills and soft skills and then offered a real time industry experience. IPSR IT finishing school is located at Gilgal IT Park, Kochi, a facility that houses our training division and a full fledged software company involved in undertaking overseas projects.

#### OBJECTIVES

- ▶ 100% Placement
- ▶ To mould-out Industry ready students who are 100% employable

#### TRAINING CENTERS

All the software programmes will be dealt at the IPSR Finishing School, Edappally & Kottayam, while the networking programmes will subsequently be dealt at IPSR Penguin planet (Ernakulam), IPSR solutions Ltd (Kottayam) and IPSR penguin planet (Kozhikode) with all the respective soft skill training to supplement their academics.

### Abraham Stephen

Resource Person

An experienced Soft Skills trainer of Junior Chamber International (The biggest personality development organization in the world spread over 114 countries). Former Faculty, MBA Programme of MG University, Kottayam. Certified Trainer of Quest International of USA.

### Words of pride !

#### Excellent Placement Service @ IPSR

I came to know about IPSR Career Center from our college. I attended the drive organized by IPSR for Wipro technologies. The recruitment procedure was transparent and now I am working with Wipro

**Binix D. John**

#### Thank you IPSR !

I am working at Infosys. I was recruited through the test conducted by IPSR at Kuttikkanam on March 3<sup>rd</sup>, 2006. It was only because of you and your team that I am now working in my dream company. My hearty thanks to IPSR family for making my dream come true.

**Neetha G. Prakash**

### Brijesh George John

Head - IPSR Career Center

Asst. professor & Placement Officer, Marian College Kuttikkanam. Co-ordinator of C- Tips, a consortium of 17 professional colleges in Kerala. Former recruitment co-ordinator, Al-Habtoor LCC, Dubai. An experienced academician having four PG degrees in Management & IT.

#### TRAINING PROGRAMMES

IPSR offers Finishing school modules in various categories based on the student requirements. We also have a career guidance wing from where students can have a free counseling. All our programmes are specially tailor-made to satisfy the academic and career related needs of students, thus grooming them as fruitful professionals. The modules are prepared by experts from IT Industry, Experienced Academicians and HR consultants. The course content is hence highly befitting the requirements of the present day IT industry.

#### TRAINING OFFERED

The core aim of an IT finishing school is obviously targeted at making the students fit for employment. As part of achieving this goal, we offer various Corporate Outbound Leadership Development programmes.

The training offered at IPSR IT finishing school is designed to equip students with all the needed hot skills supplemented by appropriate soft skills

required to ensure their entry and sustenance in an IT company. The candidates are also offered live industry experience at ipsr solutions ltd., our sister concern and are also provided an experience certificate after successful completion of the programme.

#### Soft-skill training offered includes:

- ▶ Team Dynamics - working in a team
- ▶ Goal setting & target oriented working Skills
- ▶ Leadership & Negotiation Skills
- ▶ Positive Attitudinal Shift
- ▶ Trust Building
- ▶ Interpersonal Relations
- ▶ Communication & Presentation Skills
- ▶ Creative Problem Solving
- ▶ Time Management
- ▶ Aptitude Skills
- ▶ Resume Preparation
- ▶ Interview Techniques
- ▶ Mock Interviews
- ▶ Group Discussion (GD)

For students who are on the threshold of passing out, we offer finishing school modules clubbed with academic projects. As a result, the student can emerge as a true professional having been trained in a real industry atmosphere and could also earn an international IT certification. All the packages offered at IPSR IT finishing School is available in programming streams as well as networking streams.

#### OUR TRAINERS

At IPSR we ensure quality training through a committed pool of topnotch trainers combined with the best infrastructure facilities. Our training team includes RHCEs SCJPs MCSEs CCNAs and CCNPs. Our training crew is unique because they are true professionals and not limited to training alone. We also have a pool of top notch resource persons which includes International trainers and experts with years of academic and industrial experience.

### ADMISSION

Admission to IPSR IT Finishing School is strictly based on the aptitude test, personal interview and the overall academic profile of the candidate.

#### Scholarships

As part of our social commitment, we offer scholarships to students who are meritorious, yet financially challenged.

### FACT FILE

- ▶ Trained 7000+ students since 1999
