About the Webinar

The national level inter-collegiate webinar on 'National Education Policy 2020 (NEP) - Challenges and Opportunities for Higher Educational Institutions' is organized by IQAC of St. Mary's College, Puthanangadi, Malappuram in association with IPSR Solutions Limited, Kottayam. The National Education Policy 2020 (NEP) has marked an epoch development in the educational landscape of India. The policy envisions a learner-centred education system compatible to transform India to a vibrant knowledge society. Remarkably, the thrust area of the new education policy is to make the system of education well-resourced and multidisciplinary by the consolidation of multiple educational institutions and disciplines. The proposed creative combination of study and multiple entry and exit makes the system highly flexible and accessible. The traditional rigidity of the formal system and standalone institutions will be replaced with high-quality liberal education that provides an optimal learning environment and multidisciplinary education that provides adequate provision for student mobility. In this webinar eminent speakers will focus on how the new policy will set a new paradigm by emphasizing on multi-disciplinary and liberal education in higher educational sector.
